

2015 International Conference on Software and Information Systems (ICSIS 2015) will be held in Las Vegas, USA during May 9-10, 2015. ICSIS 2015 is co-organized by SAISE and Fort Hays State University. ICSIS 2014 (former iCISE 2014) has been successfully held at Fort Hays State University in May 2014. ICSIS 2015 is expected to be more exciting, stimulating & educative. The intention is to establish an effective platform for institutions and industries to share ideas and to present the works of scientists, engineers, educators and students across the globe.

Publication

This conference will feature world-class plenary speakers, major technical symposia, industry and academic panels, tutorials and workshops. The technical program chairs invite the submission of original papers to following symposia for presentation and publication in the conference proceedings. Accepted and presented papers will be submitted to WIT Transactions on Information and Communication Technologies (ISSN: 1743-3517), which will be indexed by EI Compendex, Scopus and ISI.

Topics

Researchers are encouraged to submit original research contributions in all major areas, which include, but not limited to:

Artificial Intelligence
Formal Methods and Tools
Engineering Secure Software
Human-Computer Interaction
Healthcare Engineering
Modeling with UML
Software Components and Reuse
Patterns and Frameworks
Programming Languages
Technology Transfer
Software Testing and Analysis

Important Dates

Final Paper Submission	5-Feb-15
Notification	20-Jan-15
Registration Deadline	5-Feb-15

Submission Methods

1. Easy Chair
2. Email: icsis@saise.org
